Notice of Specification Change for Output Control Cable (IC-MCS2-* Series)

Due to the rising prices of parts used in our products, we have decided to change the specifications of some of our products.

We apologize for any inconvenience this may cause and ask for your understanding.

-details-

1. Target Products

IC-MCS2 series

* Custom products based on this product are also subject to this change.

2. Reason for change

Due to price hikes of parts and materials.

3. Description of change

Change in cable components

	Current specification	New specification
Outer Diameter	φ4.6	φ4.5
Sheath Color	Blue	Black

* No change in pin assignments and wiring colors

4. Model Change

Due to the specification change, "-C01" is added to the end of the model number for the new specification product.

Current specification		New specification
IC-MCS2- -		IC-MCS2- - -C01

* Cable length (1,2,3,5,10) is entered in .

** The same applies to custom products based on this product.

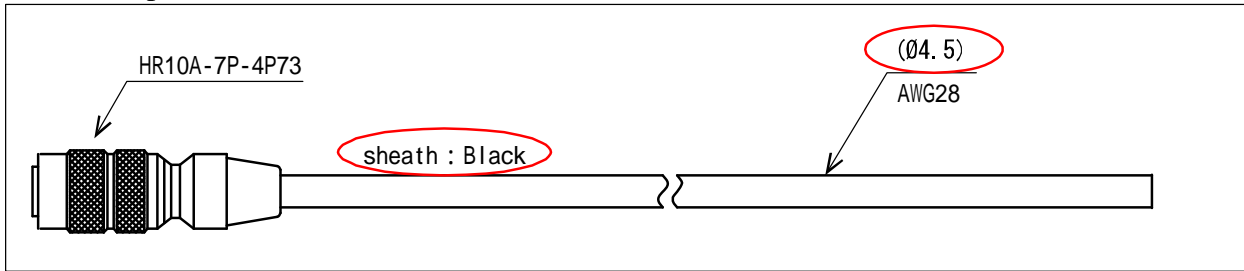

5. Switching time

We will change to the new specification as soon as the stock of the current specification product runs out.

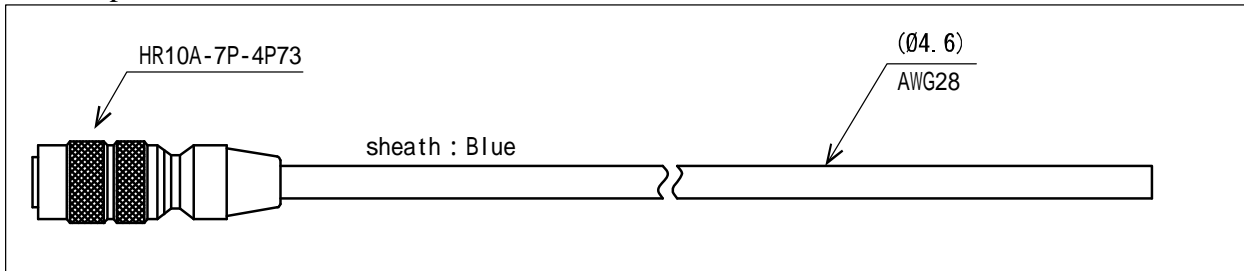

If you have any questions, please contact our sales representative.
