Brighter cube dome light

IQDA-CB Series new release

Leimac Ltd. a manufacturer of LED lighting for image processing, will release a new cube dome light "IQDA-CB series" for use in image processing inspections from April 2023.

The newly developed "IQDA-CB series" is a light-intensity version of Leimac's IQD-CB series cube dome light.

In order to meet a variety of needs, we have lined up four sizes with aperture widths of 240, 340, 440, and 540.

—Details—
